August Minutes

The meeting was called to order by Chris Lund at 6:30 P.M.

Mike forgot the last meeting minutes. Chris Lund recounted the last meeting and was approved as recounted.

Rodney read the financial report and it was approved as read.

Old business

The Bladebenders helicopter event organized and run by Taylor was very successful. The turnout for the event was better than expected and a healthy sum of money was raised. Thanks Taylor for your work on this..Great Job!!

Runway: Scotty & Carl are pursuing bids to seal the runway. The club has saved enough money for the needed maintenance. This is a big project and completing it will help keep the runway in good condition for years to come

A Big Thank You goes out to Ryan Zahn and his dad Brad. They came out and did the mowing and weeding prior to the car meet.

Another Big Thanks to Ralpho and Ed. They put the roof on the small shed and sprayed for weeds.

BFM has no big expenses before our next big event next summer!!

Taxes for the next year are covered!!!!

BFM is moving our banking account to Western Security. We will save some money by making the move as monthly charges will be less.

New business

Car Races are still going on. Help is still needed for concessions. The next races are on Sunday 8-18-2013 and Sunday 9-08-2013.

Linda was contacted by a local boy scout group. They wanted BFM to do a demonstration for them. This event has been scheduled for Thursday 8-22-2013 (training night). Everyone is encouraged to participate. Anyone who has aircraft being built or in any state of construction are encouraged to bring it to make a display. One and possibly two full size helicopters will be provided by Northern Skies Aviation.

Committee Reports:

Safety : Ralpho reported that we had no unsafe flying.

Ralpho made a motion to adjourn, Mike seconded.

Meeting length approximately 40 minutes
