Old business

The Runway:

The runway has been re-sealed. Hard Drives did the work and it looks fantastic. The Flying Mustangs would like to thank everyone who worked so hard over the last few seasons to raise the needed money for this important job. The planned events have been a success and now we have the runway finished for years to come.

The runway needs to be striped. It is important that nobody do this. The board will decide on this matter so until then, enjoy the new tarmack.

New business

There is a fly-in this weekend in Sheridan Wyoming.

The ALES Fly inn is coming up.

There is a full scale event in Sydney, Montana this month.

VERY IMPORTANT!!!!

If you crash and need to retrieve your model in the field-- PLEASE GO THROUGH THE GATE! If the fence is damaged we will be responsible for the repairs. Thanks guys.
